

Harvest Agreement Terms

- By scheduling a harvest with us, you agree to allow our harvesters to arrive any time between 9am-5pm on the day of your scheduled harvest date. We do not require you to be home at the time of harvest. We will knock/ring the front door or text when we arrive.
- City Fruit staff reserves the right to cancel the harvest upon assessing the quality of the fruit on the tree(s) if they do not meet ripening/ quality standards. Fruit that is mushy, overly buggy, rotting, etc. will not be harvested. Underripe fruit that is too firm, lacking color, or inedible will also not be harvested.
- Cancellation policy: We request you cancel at least 2 business days before your scheduled harvest to ensure that other folks on our waitlist have the opportunity to schedule a harvest. You are welcome to schedule another harvest on our calendar if you need to cancel/ reschedule.
- City Fruit Harvest Staff are not permitted to enter the home of any tree owner unless there's an immediate emergency. If your tree requires access through entering your home, we will not be able to harvest.
- Pets are kept inside or leashed.
- Debris is cleared from harvest area including underneath and around the tree (e.g. branches, dog poop, toys, construction items, etc).
- Any cash tips given to Harvest Staff will go towards our harvest programming and you will be provided with a tax deductible receipt via email.
- We are not responsible for cleaning up any compost, fallen fruit, or debris in a tree owner's yard. However, we may ask the tree owner to indicate which bin to dispose of compost or fruit that we cannot take.
